# IMPREZA WRX CLUB

[www.wrx.org.au](http://www.wrx.org.au)

Membership of the Impreza WRX Club is open to owners of turbocharged, all wheel drive Subarus. This includes the WRX, STi, Liberty RS, B4, GT, the Forester GT and other turbo Subaru models.

The WRX Club primarily uses an Internet-based email forum to ensure members are able to share information and experiences and are kept in touch with the activities of the Club. This extensive use of the Internet enables members located throughout NSW (and other states and territories) to enjoy a similar degree of involvement. We strongly recommend that members participate in our email forum to get the most benefit from their membership. For those who prefer, we can provide monthly, paper-based newsletters.

Each year, the WRX Club organises a comprehensive calendar of events. In an effort to meet the varying needs and expectations of membership, the calendar comprises a mixture of social and motorsport activities.

Social events include a wide variety of activities such as, country cruises, ten pin bowling, observation rallies, paintball games, go-kart racing, dyno days, technical clinics, shopping expeditions, Subaru launches, product demonstrations and "show 'n' shines". We've even held a photographic instruction clinic. Surely, something to suit everybody.

Our Club Motorsport Championship is keenly contested over several championship rounds throughout the year. These include dirt and tarmac competitions, comprising motorkhana, hillclimb and supersprint events on some of the best racetracks in NSW. Some of our talented members have progressed from club events to be competitive in other forms of motorsport.

The WRX Club also conducts regular driver training days. These encourage members to explore their own capabilities, as well as the potential of these wonderful cars, all in a safe, controlled environment.

An additional benefit of membership has been the ability of the WRX Club to secure discounts from various suppliers of goods and services. However, the greatest benefit of membership must be the value of friendships made, whilst sharing the enjoyment of these super cars, cleverly disguised as normal Japanese family vehicles.

We look forward to receiving your application to join our club: the Impreza WRX Club.
